EDUCATION

PDPM, Indian Institute of Information Technology, Jabalpur
*B.Tech - Electronics and Communication Engineering **CPI: 8.7***

Jul 2021 – Jul 2025
Jabalpur, Madhya Pradesh

Cambridge PU college of science and commerce
*HSC from Department of PUC Karnataka: **100%***

Mar 2019 – Mar 2021
Channapatna, Karnataka

St. Michel's English School, Channapatna
*SSC from Karnataka secondary state board: **89.92%***

Apr 2018 – Mar 2019
Channapatna, Karnataka

PROJECTS

Android Chat app 🔗 | XML and Kotlin

Dec 2023

- Developed an intuitive and visually appealing user interface using XML layouts and Material Design principles, ensuring seamless user experience across various device sizes and orientations.
- Implemented real-time messaging capabilities using Firebase Realtime Database, enabling instant communication between users with efficient data synchronization.
- Integrated Firebase Authentication to provide secure login and registration processes, supporting email/password and social media login options, ensuring user data privacy and security.

To-Do List 🔗 | Kotlin and Jetpack Compose

May 2023

- Built a native android-based project using RoomDb, DaggerHilt, Compose1.6 written in MVVM architecture to enhance functionality.
- Designed a user-friendly interface allowing users to quickly add, edit, and delete tasks, ensuring efficient task organization by priority, due date, and category.
- Tech Stack: DaggerHilt, Kotlin, gradle, Jetpack Compose, RoomDB

7-min Workout app 🔗 | XML and Kotlin

Dec 2023

- Built a android app to create a seamless user experience. This app provides quick, effective, and scientifically-proven workout routines designed to fit into your busy schedule
- Engineered a comprehensive tracking system that logs workout history and generates performance analytics, helping users monitor their progress and set new fitness goals.

TECHNICAL SKILLS

Programming Languages: Kotlin(Proficient), Java(basic), C++(Intermediate), Python(Intermediate), SQL(basic)

Android Development: Android Studio, Gradle, Firebase, RESTful APIs, Jetpack

Development Tools: Android Studio, Android SDK, Visual Studio Code, Git & GitHub, ,

COURSEWORK

- | | | | |
|-----------------------------------|-------------------------------------|---------------------|---------------------------------------|
| • Android Development with Kotlin | • Database Management System (DBMS) | • Operating Systems | • Data Structure and Algorithms (DSA) |
| | | • OOPS Concepts | |

EXTRACURRICULAR

- * **Speed-cubing:** Has competed in various speed cubing competitions and can solve various cubing puzzles under time constraints(Can solve a 3x3 cube under 15 seconds)
- * **Codechef** 🔗 : Achieved rating 1500+ , demonstrating consistent performance in competitive programming
- * **Core member of TPC**
- * **Sports:** Chess, Table-Tennis.
